FABRIC & ACCESSORIES SOURCING

Woven:

For USA /Canada and other without GSP facilitate countries we are usually sourcing fabrics & piece goods from locally and abroad like China, Taiwan, Thailand, Pakistan and India to minimize the costing. But for Europe market usually use local fabric with GSP facilities to minimize delivery lead-time as well. It is our pleasure to mention here that Bangladesh is producing good quality of denim, twill, canvas, poplin, sheeting, calico etc.

Knits:

We can provide the fabrics of cotton, cotton/poly blends, yarn dyed, cotton/Lycra, Fleece etc. We can provide **JERSEYS, RIB KNITS, FLEECE, DROP NEEDLES, MESH** in any weight desired and welcome any development fabric the customer may need.

Sweater:

There is some local and multinational company set up their own yarn manufacturing unit here in Bangladesh from where we can procure around 90% of total needs. Also we have goods source to procure yarn from abroad.
